

Huntington Beach Community Profile

Lifestyle

Huntington Beach is a beautiful community with ideal weather, a diversified economy teeming with good jobs, a wide variety of housing, excellent educational system, boat marinas, numerous parks, all in a friendly place where people can make things happen.

Residents and visitors of this scenic City treasure its 8.5 miles of wide, sandy beaches. Huntington Beach is the ideal Orange County destination to live, work, and play.

Huntington Beach has a reputation for being “number one” as noted in the numerous recognitions received:

- The “Best City to Live in Orange County” according to the Orange County Register Consumer's Choice Survey
- The number one place to raise children in Southern California
- The sixth best city in the nation for women, according to a Ladies Home Journal Readers Survey

The City has a world-class Library in the 356-acre Central Park and four branch Libraries. The Central Library & Cultural Center hosts the largest Children's Library in the state and a delightful community theater group.

The Huntington Beach Art Center, five recreation centers (including a senior citizens center), the International Surfing Museum, Pier Plaza, and a Sports Complex are popular places for cultural and sports events. The major religious affiliations are represented in Huntington Beach in over 50 houses of worship.

Fine to casual dining is available at hundreds of restaurants throughout the City.

Location

Huntington Beach is located on the shore of the Pacific Ocean in northwestern Orange County. Huntington Beach is bordered by Westminster to the northwest, Fountain Valley to the northeast, Costa Mesa to the east, Newport Beach to the southeast, and Seal Beach to the west. The city is positioned for the global market at 18 miles southeast of the Port of Long Beach and Los Angeles Harbor, 35 miles southeast of Los Angeles, and 95 miles northwest of San Diego.

Land Use

The City has a mix of land uses serving residents, regional populations, and recreational visitors. How a city balances its land uses assists in the local economy by allowing for enough space for industry and other businesses to provide products and jobs. One of the primary goals of the City land use policy is to “Achieve development that maintains or improves the City's fiscal viability and reflects economic demands while maintaining and improving the quality of life for the current and future residents of Huntington Beach.” The land use designations are: 65% residential, 8% commercial, 9% industrial, 1% mixed use, 10% open space, and 7% other.

Commercial

Huntington Beach contains approximately 1,300 acres zoned for commercial use. The major concentrations of commercial uses in Huntington Beach are located along Beach Boulevard, Brookhurst Street, Edinger and Warner Avenues, and at many major intersections.

Industrial

With a strong commitment to industrial activities, the City has 1,762 acres of land zoned for industrial use. There are three general industrial areas: the Northwest Industrial Area, the Gothard Industrial Corridor, and the Southeast Industrial Area. Major industrial development continues in the Northwest Area of 28 acres of McDonnell Center Business Park Phase II. The Gothard Industrial Corridor represents unique opportunities for “incubator” industries (first generation businesses).

Business & Economy

Huntington Beach is the third largest city in Orange County and the 19th largest city in California. The City of Huntington Beach is a leading commercial, industrial, and recreational center of Orange County, with a diverse economic base and educated workforce.

Major types of business include tourism, space systems, automobile sales, home remodeling and goods, public utilities, petroleum, data and computer research, precision instruments, and various types of manufacturing. With a diversified employment base and a highly educated work force, Huntington Beach has a healthy local economy. Annual taxable sales of about \$2.6 billion place Huntington Beach as one of the top retail sales communities in the County.

Huntington Beach is home to 650 industrial businesses, including Boeing, Quiksilver corporate headquarters, Dynamic Cooking Systems, Cleveland Golf corporate headquarters, and C & D Aerospace. Boeing is not only the largest employer in the Huntington Beach; it is the largest employer in the state.

There are many unique shopping opportunities in Huntington Beach. The city has more than 30 neighborhood and regional shopping centers, with nearly 8 million square feet of retail shopping space to satisfy everyone's dining and shopping needs. The “Shop, Play & Stay in Huntington Beach” campaign is a partnership of the Chamber of Commerce, the Conference and Visitors Bureau, the City, and the community to encourage residents to shop in town to support the local economy. Huntington Beach demographics bring impressive buying power to a wide variety of retail and service businesses.

Beach Boulevard of Cars

The Beach Boulevard of Cars has 12 new-car dealerships and serves a regional market from its central Beach Boulevard location. The Beach Boulevard of Cars was voted “Best Auto Boulevard” five years in a row in the Best of Orange County Register's Consumer Choice Survey. Auto sales are the city's largest retail category contributing to the sales tax base each year.

Facts and Figures

Population	202,250 (2007 Estimate)
Average Family Household Income	\$113,325 (2007 Estimate)
Median Family Household Income	\$91,281 (2007 Estimate)

RESOLUTION NO. 2008-54

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
HUNTINGTON BEACH ADOPTING A BUDGET FOR THE CITY
FOR FISCAL YEAR 2008/09

WHEREAS, Article VI of the Huntington Beach City Charter requires the City Administrator to present and the City Council to adopt an annual City Budget; and

The City Council has received and considered the Proposed Budget 2008/09, staff reports, and public testimony and information received in a noticed public hearing on the City budget,

NOW, THEREFORE, the City Council of the City of Huntington Beach does resolve as follows:

SECTION 1: That the budget for the City of Huntington Beach for Fiscal Year 2008/09, as set forth in Exhibit A, attached hereto and incorporated herein by this reference, is hereby adopted.

SECTION 2: That the estimated revenue and transfers for Fiscal Year 2008/09, when combined with reserves, are sufficient to fund the appropriations and are as set forth in Exhibits A and A-1, which are attached hereto and incorporated herein by this reference.

SECTION 3: That the Proposed Budget for Fiscal Year 2008/09, Exhibit B, providing appropriations summaries of details currently contained in the City's accounting system, and detail of estimated revenue, is hereby approved.

SECTION 4: That the City Administrator may transfer funds from one expenditure type to another within the same fund provided there is no increase in approved total appropriations contained in the budget.

SECTION 5: That the Tables of Organization, attached hereto as Exhibit C and incorporated herein by this reference are hereby adopted. The City Administrator, subject to compliance with the City Charter Section 403, may revise the Tables of Organization as long as the authorized number of personnel within the same department, office or agency are not exceeded.

SECTION 6: Acquisition of new capital items shall be limited to the specific items included in the approved budget. Acquisition of capital items to replace existing capital equipment shall not exceed the total appropriation for the funding source. The City Administrator may authorize changes to the procurement of specific items as long as the total appropriation for any department, fund or agency is not exceeded. However the City Administrator must obtain City Council approval for items that exceed \$500,000.

SECTION 7. That the Capital Improvement Program contained in the Proposed Budget for FY 2008/09, Exhibit B, are approved in concept, and in accordance with Section 503 and Section 614 of the City Charter. The Director of Public Works is authorized to publicly advertise for bids on these projects.

SECTION 8. That construction of capital improvement projects requires the use of professional services such as geo-technical, water testing, engineering oversight, project management, design, survey, and other required studies. Funding for these professional services is included within each Capital Improvement Project's budget as set forth in the Proposed Budget for FY 2008/09, Exhibit B. Consistent with the City Council's policy regarding professional service agreements, the City Council hereby authorizes the City Administrator, or designee, to enter into any necessary professional services agreements to facilitate the completion of an approved Capital Improvement Project.

PASSED AND ADOPTED by the City Council of the City of Huntington Beach at a regular meeting thereof held on the 2nd day of September, 2008.

- Books and publications relevant to the work environment
- City events and city-supported functions such as 4th of July, Association of Volleyball Professionals (AVP), art center features, activities, and expenses related to the events

City of Huntington Beach Revenue Descriptions and Assumptions

GENERAL FUND REVENUE

Property Tax: \$67,140,000 – This category represents Surf City's largest revenue source, accounting for 34.5 percent of total budgeted General Fund revenue for FY 2008/09. The slow-down in the real estate market has led to more conservative projections in property tax growth. The double-digit growth in assessed value seen in prior years has given way to more modest estimates of low single-digit increases in assessed value.

It is anticipated that secured property tax, the largest single source of General Fund property tax revenue, will only grow by 3.2 percent based on County of Orange Assessor's Office data. In addition, supplemental property tax revenue will taper off as fewer residential properties are sold and reassessed. The modest growth in assessed values also affects the In-Lieu of Motor Vehicle License Fee (VLF) revenue. With the change in State law regarding the Motor Vehicle License Fee, the In-Lieu of VLF revenue grows by the same amount as a city's assessed value. There will also be no significant new residential developments adding to the property tax base in FY 2008/09. While the Brightwater residential development is still under construction, the original completion date of 2009 has been pushed back, delaying the addition of new properties to the tax roll. Ultimately, this development will add 359 new homes to Huntington Beach. However, with the slowing real estate market, the full benefit of these new properties will not be realized until FY 2009/10 and later.

In addition to the moderating effect the cooling real estate market has had on secured property values, there is the complicating effect which the State of California "triple-flip" legislation has had on this revenue category in recent years. This legislation requires 0.25 percent of the 1.0 percent local agency share of the Bradley-Burns Sales and Use Tax be used to back economic recovery bonds. Each year the State estimates the 0.25 percent backfill amount to reimburse local agencies. For FY 2008/09, because the State over-estimated this amount for FY 2007/08, the actual apportionment will be less (by approximately \$700,000). This pattern of missed estimates and subsequent true-ups by the State leads to wild fluctuations in revenue projections year-over-year. With the State's problems balancing their budget, the in-lieu of sales tax reimbursement will remain in effect until FY 2012/13, complicating revenue projections for several more years.

Other Local Taxes: \$63,865,000 – This revenue category represents the second largest source of General Fund revenue. The four major types of taxes in this category comprise 32.8 percent of General Fund revenue budgeted for FY 2008/09:

Sales Tax: \$25,300,000 – Huntington Beach's retail base allows the city to weather economic downturns better than other localities whose sales tax base might not be as diverse. Also, the city does not rely heavily on sales tax to provide General Fund revenue. This revenue source accounts for 13.0 percent of General Fund revenue. Nonetheless, the recent slow-down in the economy has affected the city, leading to a modest projection of 2.5 percent growth in sales tax receipts in FY 2008/09. With all retail segments across the economic spectrum experiencing pullbacks, Surf City will feel these effects as sectors such as auto dealers, general consumer goods, and building and construction realize lower year-over-year sales. The sales tax category will continue to be monitored closely as economic conditions continue to change.

Utility Users Tax: \$23,165,000 – The city charges a 5.0 percent utility tax on water, telephone, gas, electricity, and cable usage. Based on recent trends, this category will experience little growth from FY 2007/08 to FY 2008/09. This source of income accounts for 11.9 percent of General Fund revenue.

Franchises: \$7,900,000 – The city has several franchise agreements providing 4.1 percent of the revenue to the General Fund. The largest sources of franchise revenue are from the Southern California Gas Company and Southern California Edison (SCE). Together, these companies are projected to supply \$3,625,000 in franchise revenue for FY 2008/09. Of note is the end of the ten-year franchise agreement with Coca-Cola; this agreement had been providing \$300,000 annually. The last payment was received during the 2007/08 fiscal year. The city also receives franchise payments from Rainbow Disposal as part of their refuse and recycling contract. Huntington Beach also has an agreement with Clear Channel Communications whereby the city receives franchise revenue for allowing advertising on bus benches and shelters throughout Surf City.

City of Huntington Beach Revenue Descriptions and Assumptions

Transient Occupancy Tax (TOT): \$7,500,000 – More generally referred to as the “hotel tax,” this revenue source is projected to increase in FY 2008/09 and in subsequent years due to the opening of additional lodging facilities. A new hotel in downtown Huntington Beach – the Shorebreak Hotel – is slated to open in early 2009 as part of The Strand development. This new hotel will add additional rooms generating transient occupancy tax beginning midway through the 2008/09 fiscal year. In addition, the Huntington Beach Conference and Visitor's Bureau will continue their marketing efforts – directly funded by a ten percent share of the city's TOT revenue – to sell Surf City as a destination city. Additional developments being planned throughout Surf City will add further to the number of hotel rooms contributing TOT revenue to the General Fund in the near future.

Licenses and Permits: \$7,530,900 – The retreat in the residential, commercial, and industrial construction sectors has directly affected license and permit revenue for FY 2008/09. Most significantly, building, electrical, and mechanical permit revenue is projected to be lower when compared to FY 2007/08. In addition, revenue from Planning permits is also expected to be lower than in prior years. The largest change in projected Planning revenue is from the 359-home Brightwater development. The developer of Brightwater – Hearthside Homes – has slowed down construction of the residential units, delaying the ultimate build-out of the community. Under a development agreement with Hearthside Homes, Huntington Beach receives a per-lot development fee for each residential unit completed. It was anticipated that the final units would be completed in calendar year 2009, ultimately supplying approximately \$6.0 million in development fees to the General Fund. Therefore, revenue from the development agreement permits will be much less in FY 2008/09 as the completion date is extended beyond this fiscal year.

Fines, Forfeitures, and Penalties: \$4,687,700 – This category – representing 2.4 percent of General Fund income – records revenue from traffic and parking tickets as well as fines levied on delinquent library materials. Also of significance is the revenue from fines for false alarm responses. Per the city's municipal code, fines are charged for Police response to false alarms depending on the number and frequency. Overall, fines and forfeitures will decrease slightly based on updated projections from the Police Department related to parking fine revenue.

Use of Money and Property: \$16,625,500 – This category will see several changes in FY 2008/09, with projected revenue increasing 18.0 percent from the FY 2007/08 adopted budget. With the folding of the Library Service and Ocean View Estates Funds, there will be new sources of revenue in the General Fund. It is anticipated that rental revenue from Central Library facilities will provide approximately \$240,000 in additional General Fund revenue. Also, Ocean View Estates – a city-owned mobile home park – should provide \$360,000 in revenue that had previously been deposited to a special revenue fund. A new agreement with Hollister, which increases the number of web-cams transmitting images to Hollister's stores nationwide, will provide additional revenue in FY 2008/09. Overall, this category records revenue from the various concession agreements the city has with Ruby's, Dukes, Meadowlark Golf Club, National Equestrian Centers, and other retail establishments on city-owned property. In addition, parking revenue from the Pier Plaza parking lot, downtown-parking structure, Sunset Vista RV camping, and meters throughout the city is expected to provide over nine million dollars.

Revenue from Other Agencies: \$4,950,500 – A major source of revenue in this category is the Motor Vehicle License Fee (VLF), which will provide an estimated \$1,125,000 in FY 2008/09. It should be noted that this source of revenue was reduced significantly by the 2004 State Budget Act; permanently reducing the VLF from two percent to two-thirds of a percent. This source of revenue continues to decline as the State takes a larger share of the pre-apportioned amount to fund various State functions and agencies. Also in this revenue category is the real property transfer tax, which is split 50-50 between the County of Orange and the City of Huntington Beach. This is another category of revenue affected by the slow down in the real estate market as fewer residential housing transactions occur. Surf City also receives revenue from the State Office of Emergency Services, reimbursing the Fire Department when the strike team is deployed to wild-land fires across the state. The city also is reimbursed by the Police Officer Standards and Training (POST) office for sending our Police Officers to various training opportunities.

Charges for Current Services: \$22,568,172 – Huntington Beach receives revenue from various “fee for service” activities representing 11.6 percent of General Fund revenue: plan check reviews by Public Works and Building and Safety, fees for recreational classes and programs, FireMed membership and billing service reimbursement, and other activities. The largest change to this General Fund revenue category is the inclusion of FireMed program revenues in FY

City of Huntington Beach Revenue Descriptions and Assumptions

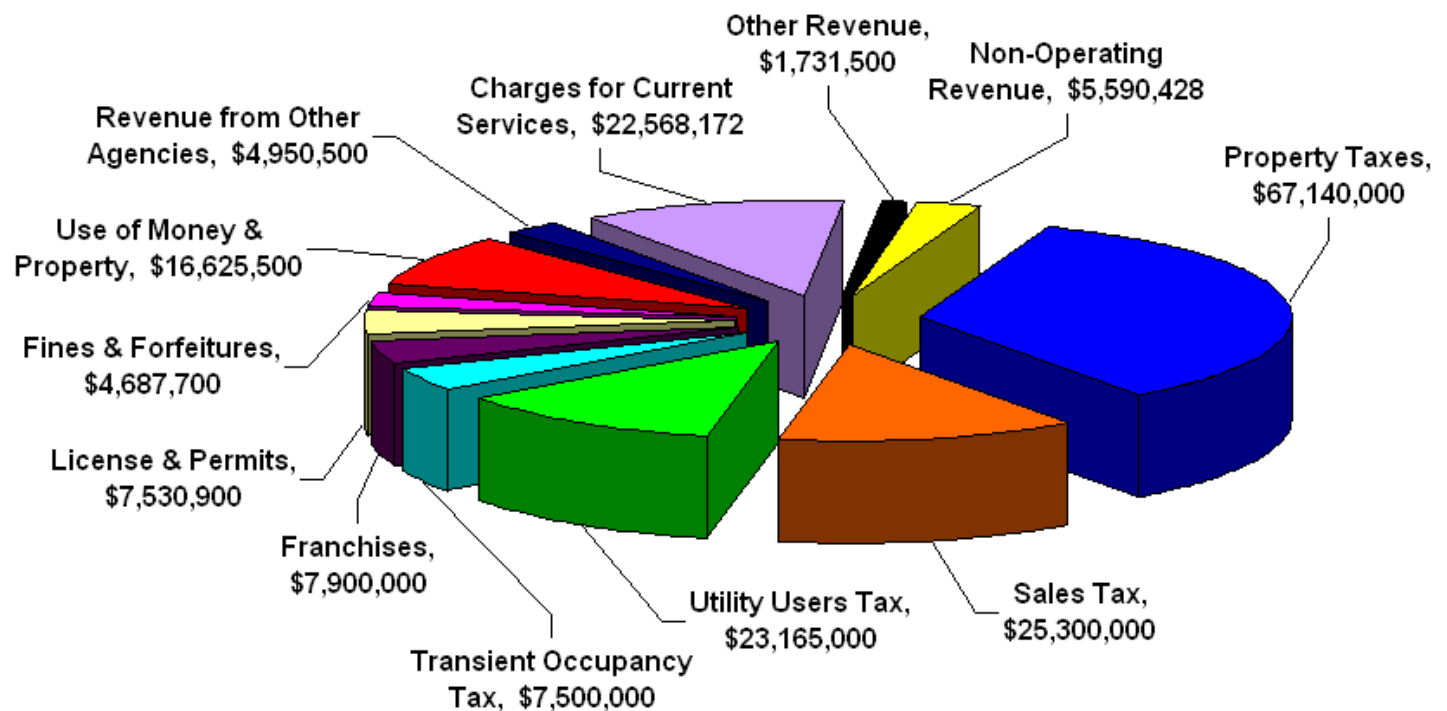

2008/09. With the folding of the FireMed Special Revenue Fund as part of the FY 2008/09 budget process, approximately \$6.4 million in related revenue will now be deposited to the General Fund. Also, there will be additional revenue of approximately \$125,000 from Art Center classes now that the Cultural Affairs Fund has been closed. Prior to FY 2008/09, the existence of the Library Service Fund meant that revenue from media rentals and the community enrichment library fee (CELF) was recorded outside of the General Fund. Since that fund no longer exists, there is projected to be an additional \$370,000 in revenue from those sources added to the General Fund.

Other Revenue: \$1,731,500 – This category of revenue records fees from the City Clerk's passport processing facility, sales of surplus city equipment, restitution, and settlement payments from various court decisions decided in the city's favor, and other miscellaneous revenue. Fiscal year 2008/09 will see the third payment from Rainbow Disposal for water quality improvement efforts. The \$150,000 amount – adjusted annual by the change in the Consumer Price Index (CPI) – is part of the franchise agreement approved in FY 2006/07.

Non-Operating Revenue: \$5,590,428 – Non-Operating revenue includes repayment of debt from the Redevelopment Agency to the General Fund. This debt repayment is \$4,335,000 for FY 2008/09. There is also the repayment of a General Fund loan to the Park Acquisition and Development (PA&D) Fund of \$294,000 annually. Miscellaneous other transfers will occur throughout the year as well, adding to this source of General Fund revenue.

GENERAL FUND REVENUE GRAPH

City of Huntington Beach Revenue Descriptions and Assumptions

NON-GENERAL FUND REVENUE

Enterprise Funds: \$59,925,700 – The city has several enterprise funds: Refuse, Sewer, Water, Water Master Plan, and Emerald Cove senior apartments.

Projected to bring in \$34,948,000, the Water Fund is the largest source of enterprise revenue to the city. Water utility operations are funded by charges to municipal users (residential and commercial) of city water. Rates are adjusted periodically according to State law to ensure the fiscal integrity of the Water Fund. The Refuse Fund (\$10,775,500) is also a large source of enterprise revenue. The City has a contract with Rainbow Disposal. Monthly refuse charges are deposited to and in turn, the cost of refuse services is paid out of, the Refuse Fund. In addition, revenue is received from the city's senior housing development (Emerald Cove).

Two funds previously accounted for in this category – FireMed and Ocean View Estates – were folded beginning FY 2008/09. The revenue received in these funds will now be recorded in the General Fund in the appropriate object codes (see Charges for Current Services and Use of Money and Property descriptions under the General Fund revenue section for additional explanation).

Special Revenue Funds: \$16,909,500 – This category includes a large and varied portion of non-General Fund revenue sources. Due to the categorization of funds in the City's accounting system, this category includes Special Revenue Funds such as the Measure M, Air Quality, and Fourth of July Parade funds; Capital Project Funds such as the Library Development and In-Lieu Parking Downtown funds; and Other Funds like the Special Events and Property and Evidence funds.

The largest sources of revenue in the Special Revenue funds category are: Measure M (\$2,550,000), the half-cent County of Orange sales tax earmarked for transportation programs; Traffic Impact (\$875,000), a development-related fee fund earmarked for various street projects; Gas Tax (\$3,662,000), a separate fund for recording the state sales tax on fuel sales; and the new Traffic Congestion Relief fund (\$2,765,000) for recording Proposition 42 funds designated for various transportation projects.

The remainder of this category receives revenue from myriad sources: the Special Events Fund (\$198,000) records reimbursement, sponsorship and permit revenue from the various events held throughout the city such as the U.S. Open of Surfing, Surf City Marathon and related events; the Fourth of July Fund (\$403,000) which receives donation and reimbursement revenue related to the city's annual Fourth of July celebration; and the Library Development Fund (\$182,000) which records development related revenue used to support Library Services operations.

The Cultural Affairs Fund – in prior years categorized under Special Revenue Funds – was closed out in FY 2008/09 and revenue will be deposited in the General Fund. The Cultural Affairs Fund received revenue from art center classes, room rentals, and related sources.

Redevelopment Agency: \$22,742,700 – This category is comprised of Redevelopment Agency (RDA) project area and tax increment (i.e., debt service) funds. The largest source of revenue in this category is tax increment, deposited to the Merged Project Area Debt Service Fund (\$17,060,000). Also, there is the Merged Project Area Fund (\$1,500,000) that is used to record rental income as well as revenue from Owner Participation Agreements (OPAs) and Disposition and Development Agreements (DDAs).

The city also administers the legally required Low-Income Housing (Housing Set-Aside) Fund that receives twenty percent of the tax increment revenue from the redevelopment areas within Huntington Beach. For FY 2008/09, it is estimated that this fund will receive approximately \$3,914,700 in revenue from pooled cash interest and the transfer in of the twenty percent share of tax increment.

City of Huntington Beach Revenue Descriptions and Assumptions

Public Financing Authority and Debt Service: \$11,929,000 – Huntington Beach has a Public Finance Authority (PFA), which, was created in 1988, to issue debt for the financing of public improvements and other capital purchases. For FY 2008/09, the PFA will realize about \$6,254,000 in non-operating revenue. This revenue is from the repayment of debt by the General Fund, Redevelopment Agency Merged Project Area, and other funds for various improvement projects over the years. Therefore, the revenue is recorded as a transfer, or “non-operating revenue,” from various sources into this fund.

Trust and Agency Funds: \$8,054,155 – The two largest sources of revenue in this category are the Retirement Supplement and Retiree Insurance (Medical) Funds. Huntington Beach has a supplemental retirement and an Other Post Employment Benefits (OPEB) program. These two funds receive revenue from bi-weekly payroll charges. The percentage of payroll (e.g., permanent salaries) transferred to these funds is currently set at 7.50 percent for FY 2008/09. This amount is determined by an annual actuarial report, which determines the Annual Required Contribution (ARC) based on various assumptions.

Separate Legal Governing Board: \$1,373,620 – The city has three Business Improvement Districts (BIDs): Downtown Merchants, Hotel-Motel, and Auto Dealers. Under California law, these BIDs are allowed to collect assessments from their members for the use of various improvements. The city acts as an intermediary for the BIDs and records these assessments in three distinct funds. The BIDs then submit annual operating budgets, which are reviewed and approved by City Council.

The largest BID in terms of assessment revenue is the Hotel-Motel, which records approximately ten percent of the city's annual transient occupancy tax (TOT) revenue. For FY 2008/09, the Hotel-Motel BID is expected to record \$752,000 in revenue. The Auto Dealers BID projects \$193,120 in assessment and loan repayment revenue and the Downtown Merchants BID is projecting \$97,000 in assessment revenue.

Huntington Beach has a Joint Powers Agreement (JPA) with local Fire Departments to use the City's training facility on Gothard Street. Through reimbursement agreements with the various Fire Departments, this JPA is expected to record \$322,000 in FY 2008/09.

Grants: \$2,198,497 – The single largest source of grant revenue for Huntington Beach is the Community Development Block Grant (CDBG) program administered by the Federal Department of Housing and Urban Development (HUD). The city's allocation for FY 2008/09 is \$1,364,291. Each year, after receiving notice of the CDBG amount, the Economic Development Department works closely with local non-profit agencies to establish programs funded by CDBG grant monies. These sub-grantees have their program of service reviewed and ultimately approved by the City Council.

There are also myriad other grants received by Police, Fire, Public Works, Library, and Community Services which are recorded in this revenue category. The city's financial policies dictate that grant revenue is budgeted at the time of City Council approval of the grant award. Therefore, the adopted budget for FY 2008/09 for all grants does not reflect the full complement of grants awarded throughout the fiscal year.

City of Huntington Beach Expenditure Descriptions and Assumptions

GENERAL FUND

Personal Services – Total Appropriations of \$139.3 million: For FY 2008/09, there are no new positions being added to the Table of Organization. In preparing and balancing the budget, the City analyzed historical attrition rates on a department-by-department basis. Attrition is the rate at which employees terminate employment with the City regardless of the reason. Analyzing attrition rates allows the City to reduce a department's personal services budget due to anticipated salary savings, while still allowing the department to operate within their budget.

Operating Expenses – Total Appropriations of \$46.0 million: Department operating expenses are heavily scrutinized during the development of the annual budgets. At budget review time, year to date expenditures are analyzed and adjustments are made to all department's preliminary budget request to better align appropriations with actual needs. Included in the operating category are all general operating expenses as well as professional and contract services. Also included are citywide leases of \$173,000 for computer and reprographic equipment. Finally, approximately \$80,000 of operating expenses related to the Capital Improvement Reserve program (CIR) are found in operating expenses.

Capital Expenditures – Total Appropriations of \$10.5 million: There are several major categories of expense within this grouping. Capital Improvements related to the Capital Improvement Reserve (CIR), equipment and vehicle replacement for all departments, and capital purchases within each department fall under this category. While some of the money is budgeted in the departments, this category is mainly budgeted within Non-Departmental.

1. ***Capital Improvement Reserve;*** \$1,704,000 of improvements related to the CIR component.
2. ***Equipment and vehicle replacement;*** \$8.3 million related to departments for vehicles and equipment, which includes \$2.5 million in reserve funding for future equipment purchases.

Non-Operating Expenditures – Total (net) Appropriations of \$3.3 million: This category contains transfers to other funds related to debt service, and minor transfers to other funds for operating purposes. In addition, a "payroll offset" is budgeted as a credit to account for workers' compensation program expenses which are budgeted both in personal services for the revenue portion, and the Safety Program in the Human Resources Department where the actual expenses are paid. The payroll offset account removes the "double counting" of the workers' compensation expenses at the General Fund summary level. This account is adjusted after each payroll to approximate the year to date expenses in the Workers' Compensation Program.

1. ***Payroll Offset Account:*** \$4.2 million, which is the budgeted cost of the workers' compensation program. This is a negative appropriation, which offsets the revenue portion in personal services against the duplication of the program cost within the same fund.
2. ***Transfers for Debt Service:*** \$5.4 million is transferred to the Debt Service HBpfa Fund (401) to cover a variety of previously issued funding measures for city projects and facilities. \$1.1 million is transferred to the Employees Rate Contingency fund to cover the City's judgment obligation bond.

City of Huntington Beach Expenditure Descriptions and Assumptions

OTHER FUND MAJOR EXPENDITURE GROUPINGS

Water Enterprise: \$44,912,674 – Water user rates fund the Water Fund operations and major portion of the water capital improvement program. In addition to operations and maintenance, capital project funds are used for major maintenance and rehabilitation of water facilities such as wells, reservoirs, and water distribution lines.

Transportation/Street Projects: \$18,440,321 – Including Federal and State grants, the revenues for these funds are projected to be stable for the next few years. In addition to grants, Gas Tax, Measure M, Air Quality, and Traffic Impact funds are included here.

Redevelopment and Housing Fund: \$24,829,421 – All Redevelopment and Housing costs are budgeted in this group with the exceptions of Community Development Block Grant (CDBG) and HOME programs, which are included under Grants. Revenue is received primarily from the incremental increased property tax revenue compared to the date the project areas were established. Twenty percent of the tax increment is set aside for local housing needs.

Other Grants and Funds: \$4,423,367 – Wide year-to-year fluctuations are due to unpredictable Federal and State grants. Also within this grouping are several, minor funds related to city activities, special projects, and fiduciary and trust funds.

Other Enterprise Funds: \$1,734,678 – This group includes Emerald Cove Housing, which provides seniors' housing opportunities, and Certified Unified Program Agency (CUPA), which supports hazardous waste inspections.

Debt Service: \$11,182,928 – General Fund revenues are the main source for interfund transfers to pay the City's annual debt service cost. Community Facilities Districts (CFD), and the Redevelopment Agency are also sources of funding for these expenses.

Refuse Fund: \$10,787,051 – Funding is provided for citywide residential curbside and commercial refuse collection and disposal. The City contracts with a local service provider.

Sewer Service Fund: \$9,133,992 – The Sewer Service Fund was established for the maintenance, rehabilitation, and replacement of sewer facilities. Revenue is derived from direct charges to residents and businesses with connections to the City's sewer lines. Capital projects include rebuilding of sewer lift stations and lining or replacement of sewer lines, as designated in the 2003 Sewer Master Plan. Facilities are evaluated regularly to determine priorities to repair or replace sewer lines and lift stations. The capital project program includes design, engineering, and all aspects of construction management.

Internal Service Funds: \$3,192,500 – These funds are utilized to account for retirement medical and supplemental retirement costs which are provided directly by the City.

Capital Projects: \$6,441,806 – Included in this category are one-time revenues from developers to fund capital projects. Also included are development-related impact fees for sewer, drainage, and park purposes. These revenues will be relatively constant for the next few years before declining as development slows. New funding of approximately \$1,000,000 is included in the Infrastructure Fund for 2008/09. This is provided by the General Fund according to the city's fund balance usage policy. Refer to the "Financial Policies Section" for a detailed description of how the available funds are provided to the Capital Improvement Reserve (CIR) and Infrastructure Fund.

Water Master Plan: \$2,559,638 – The Water Master Plan (WMP), adopted in 1990 and updated in 2000 and 2005, recommends new facilities that provide the City with adequate water production and storage capabilities. Several projects included in the 2000 WMP are complete, including three storage reservoirs, three new water wells, and various pipeline improvements. Over the next five years, the WMP will focus on the completion of the Southeast Reservoir, corrosion control, security improvements, and transmission main improvements.

City of Huntington Beach Expenditure Descriptions and Assumptions

OTHER FUND MAJOR EXPENDITURE GROUPINGS - Continued

Operating Costs associated with Capital Improvements – While other departments will do so from time to time, the Public Works Department is mainly responsible for budgeting new operational and maintenance costs when capital improvements are completed. Public Works prepares a ***“Maintenance Impact Statement”*** which accompanies all construction contract awards presented to the City Council for approval. This is prepared for all new and expanded city facilities. When allowable, other funds will pay for the maintenance. For example, the Water Utility will pay for system improvements and expansions and also budget for the new or increased maintenance. In other cases, some of the various street related funds will cover additional maintenance.

The establishment of the Sewer Service Fund in recent years has allowed the City to replace much of the old downtown sewer system, and begin work on additional areas. Sewer maintenance is also provided by this fund.

City of Huntington Beach Glossary of Terms

Accounting Method – The City of Huntington Beach accounts for its financial position and operations according to generally accepted accounting principles (GAAP) for governmental units prescribed by the Government Accounting Standards Board (GASB). A fund or account group is an accounting entity with a self-balancing set of accounts recording the financial position and results of operations of a specific governmental activity. The City prepares financial statements on the modified accrual basis for all governmental fund types except for the financial statements of the proprietary fund types, which are prepared on the accrual basis.

Accrual Basis – The basis of accounting under which transactions are recognized when they occur regardless of the timing of related cash flows.

ADA – (see Americans with Disabilities Act).

Adopted Budget – The City Council approved annual budget establishing the legal authority for the expenditure of funds set forth in the adopting City Council budget resolution.

Americans with Disabilities Act (ADA) – This Federal law requires that public facilities be accessible to individual with physical limitations.

Appropriation – A legal authorization granted by a legislative body to make expenditures and to incur obligation for specific purposes.

Appropriation Account – A budgetary account set up to record specific authorizations to spend. The account is credited with original and any supplemental appropriations and is charged with expenditures and encumbrances.

Appropriation Limit – As a governmental entity in the State of California, the City is subject to the Gann Spending Limit Initiative, which limits the amount of annual appropriations of tax proceeds.

Assessed Valuation – A dollar value placed on real estate or other property by the County of Orange as a basis for levying property taxes.

Audit – Prepared by an independent certified public accountant (CPA) to form an opinion regarding the legitimacy of transactions and internal controls. An audit is an examination and evaluation of the City's records and procedures to ensure compliance with specified rules, regulations, and best practices.

BID – (see Business Improvement District).

Bond – A written promise issued by the City to pay a specific sum of principal amount, at a specified date(s) in the future, together with periodic interest at a special rate to raise capital, usually to pay for the construction of long-term infrastructure projects. Two major types of bonds include General Obligation Bonds and Revenue Bonds.

City of Huntington Beach Glossary of Terms

Bond Proceeds – Funds received from the sale or issuance of bonds.

Budget – A Plan of financial operation embodying a summary and detail of authorized expenditures for a given period and the proposed means of financing them.

Business Improvement District (BID) – Is a financing mechanism that is used to provide revenue for a variety of local improvements and services that enhance, not replace, existing municipal services. In California, there are several types of BIDs, including property based, business based, and tourism based.

Business Unit – An eight digit accounting reference comprised of the fund, department, and program. Expenditures and revenues are budgeted within business units.

CAFR – (see Comprehensive Annual Financial Report).

California Public Employees' Retirement System (CalPERS) – Statewide retirement system that covers most City of Huntington Beach employees.

CalPERS – (see California Public Employees' Retirement System).

Capital Assets – Assets of long-term character that are intended to continue to be held or used for a period of more than one year, such as land, buildings, machinery, furniture, and other equipment.

Capital Improvement Program (CIP) – A long-range plan for the development and replacement of long-term assets such as streets, buildings, water and sewer systems.

Capital Outlay – Expenditures which result in the acquisition of assets with an initial cost of at least \$10,000 and an expected life of at least two years.

Capital Project Funds – Used to account for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary fund types).

CDGB – (see Community Development Block Grant).

CFD – (see Community Facilities District).

Charges for Services – Reimbursement for services rendered to the public or to some other program/fund in the City.

CIP – (see Capital Improvement Program).

City Charter – The legal authority granted by the State of California establishing the entity known as the City of Huntington Beach and giving it the ability to provide services and collect revenue to support those services.

City of Huntington Beach Glossary of Terms

Community Development Block Grant (CDBG) – The Housing and Community Development Act of 1974 provides funds to cities and counties to develop urban communities, decent housing, a suitable living environments, and expanded economic opportunities principally for low and moderate-income persons. This federal program gives priority to activities, which benefit low and moderate-income individuals.

Community Facilities District (CFD) – A special district that can issue tax-exempt bonds as a mechanism by which public entities finance construction and/or acquisition of facilities and provide public services to the district.

Comprehensive Annual Financial Report (CAFR) – The official annual report of the City's financial condition, which encompasses all funds, at the conclusion of the fiscal year.

Consumer Price Index (CPI) – A statistical description of price levels provided by the United States Department of Labor. The change in this index from year to year is used to measure the cost of living and economic inflation.

Cost Allocation – A method used to charge General Fund overhead costs to other funds.

CPI – (see Consumer Price Index).

Debt Service – The repayment of principal and/or interest on borrowed funds.

Debt Service Funds – Governmental fund type used to account for the accumulation of resources for, and the payment of general long-term debt principal and interest.

Debt Service Requirement – The amount required to pay interest on outstanding debt, serial maturities of principal for serial bonds, and required contributions to accumulate monies for future retirement of term bonds.

Deficit – The excess of liabilities of a fund over its assets.

Department – The basic organizational entity of government that is functionally unique in its delivery of services.

Depreciation – Expiration the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy, or obsolescence.

Developer Fees – Adopted fees requiring new development or redevelopment to pay its proportional share of the costs associated with providing the necessary public infrastructure.

Encumbrances – Commitments related to unperformed contracts for goods and services.

City of Huntington Beach Glossary of Terms

Enterprise Funds – A fund established to account for operations that are financed and operated in a manner similar to private enterprise. Examples of enterprise funds are water and sewer services.

Equipment Replacement – Appropriations budgeted for the purchase of rolling stock and movable assets.

Expenditure – The actual spending of funds set aside by appropriation for identified goods and services.

Expense – The payment of cash on the transfer of property or services for the purpose of acquiring an asset, service, or settling a loss.

Fee – A general term used for any charge levied by government for providing a service or permitting an activity.

Fiscal Year (FY) – The twelve-month period to which the annual operating budget applies and at the end of which a government determines its financial position. The City of Huntington Beach fiscal year is October 1 to September 30.

Fixed Assets – Purchases of physical inventory items that are intended to be held or used for long term, such as equipment or infrastructure.

FTE – (see Full-time Equivalent Position).

Full-time Equivalent Position (FTE) – Staffing collectively based on a 2,080-hour year.

Fund – A fiscal and accounting entity with a self-balancing set of accounts, recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein which are segregated for the purpose of carrying on specific activities of government functions.

Fund Balance – The excess of the assets of a fund over its liabilities, reserves, and carryovers.

FY – (see Fiscal Year).

GAAP – (see Generally Accepted Accounting Principles).

GASB – (see Governmental Accounting Standards Board).

General Fund – The fund used to account for all financial resources except those identified for special purposes. The operating fund of the City that receives unrestricted revenue such as property and sales taxes. The fund used to provide a wide range of public services.

City of Huntington Beach Glossary of Terms

Generally Accepted Accounting Principles (GAAP) – Uniform minimum standards for financial accounting and recording.

Governmental Accounting Standards Board (GASB) – Develops standardized reporting for government entities.

Grants – Contributions, gifts, or assets from another government entity to be used or expended for a specified purpose, activity, or facility.

HUD – U. S. Department of Housing and Urban Development.

Indirect Costs – A cost necessary for the functioning of the organization as a whole, but which cannot be directly assigned to one service.

Infrastructure – Facilities that support the daily life and growth of the City, for example roads, water lines, sewers, public buildings, and parks.

Interfund Transfers – Monies transferred from one fund to another. Such money is transferred to finance the operations of another fund or to reimburse the fund for certain expenditures/expenses.

Internal Service Fund – A fund used for the financing of goods or services provided by one department or agency to other departments or agencies on a cost-reimbursement basis.

Joint Powers Authority (JPA) – A JPA is formed when it is to the advantage of two or more public entities with common powers to consolidate their forces to acquire or construct a joint-use facility.

JPA – (see Joint Powers Authority).

Long-Term Debt – Debt with a maturity of more than one year after the date of issue.

Long Term Financial Plan – A combination of financial forecasting and strategizing to identify future challenges and opportunities, causes of fiscal imbalances and strategies to secure financial sustainability.

Mandate – Legislation passed by the state or federal government requiring action or provision of services or programs.

Measure M – An initiative passed by Orange County voters to fund transportation improvements using revenue generated by a countywide sales tax.

Memoranda of Understanding (MOU) – As used in this budget document refers to agreements, for a specified period of time, between the City and various employee associations, outlining wage increases, provision of and contribution levels for benefits, and employment-related matters.

City of Huntington Beach Glossary of Terms

MOU – (see Memoranda of Understanding).

Municipal Bond – A bond issued by a state or local government.

Municipal Code – A compilation of enforceable ordinances adopted by the City Council.

National Pollution Discharge Elimination System (NPDES) – This Federal regulation sets standards for the quality of storm water discharged into rivers, lakes, and oceans.

Non-Departmental – Program costs that do not relate to any one particular department, but represent costs that are general and citywide in nature.

NPDES – (see National Pollution Discharge Elimination System).

Object Code – A five digit accounting reference to a specific revenue or expense item. Combines with the business unit to create a revenue or expenditure account number.

Operating Budget – Plan of current non-capital expenditures and the proposed means of financing them.

Operating Expenses – The cost for materials and equipment required for a department to perform its functions.

Operating Revenue – Funds received as income to pay for ongoing operations.

Operating Transfers – Legally authorized transfers from a fund receiving revenue to the fund through which the resources are to be expended, such as transfers from the General Fund to a Special Revenue or Capital Projects Fund.

Ordinance – A formal legislative enactment by the City Council. If it is not in conflict with any higher form of law, such as state statute or constitutional provision, it has the full force and effect of the law within the boundaries of the City.

Organization Chart – A pictorial representation of the administrative and functional structure of a City unit.

Other Funds – Within this budget document, those funds that are not included as part of the General Fund.

Pension Tax Rate – City Charter amendment allowing the City Council to set a tax rate and levy an override tax on the assessed value of property up to a maximum amount as determined by an annual actuarial study to recover a portion of the City's costs related to a supplemental retirement program.

City of Huntington Beach Glossary of Terms

Performance Measures – A set of measurable objectives, linked to the City's various strategic plan goals, which are determined by a department and used to gauge a program, business unit, or division's effectiveness and efficiency. Used as a management tool during the budget development process to set priorities and shift resources as necessary.

Personal Services – Expenditures for salaries and benefits for employees of the City.

Program Budget – A budget wherein expenditures are based primarily on program of work and the performance of certain functions.

RDA – (see Redevelopment Agency).

Redevelopment Agency (RDA) - An Entity formed to renovate older areas of the City to increase economic vitality.

Reserve – The City uses and designates reserves according to adopted financial policies. In addition to the required seven percent reserve, there is the: Equipment Reserve, used to replace obsolete vehicles and equipment while setting aside funds for future equipment and vehicle needs; Capital Improvement Reserve (CIR), a designated reserve for various capital projects; and the General Liability Reserve which is designated for workers compensation and liability claims.

Resolution – A special order of the City Council, which has a lower legal standing than an ordinance.

Revenue – Sources of income financing the operation of government.

Special Revenue Funds – Funds that are separately administered because the City Council, the State of California, or the Federal government has placed restrictions on how revenues may be spent.

Strategic Plan – The process of defining a strategy, or direction, and making decisions on allocating resources to pursue this strategy, including capital and employees. The City adopted its strategic plan in August 2006, setting five broad goal areas, each with its own set of related projects: Financial, Infrastructure, Land use and Economic Development, Engaging the Community, and City Services.

TAB – (see Tax Allocation Bond).

Tax Allocation Bond (TAB) – Bonds issued in conjunction with a redevelopment project. The taxes pledged to their repayment come from the increase of assessed value over and above a pre-established base. The redevelopment creates this added value, known as the tax increment.

Tax Increment – Property tax that is collected as a result of increased valuation within the RDA.

City of Huntington Beach Glossary of Terms

Tax Rate – The amount of assessment stated in terms of a unit of the tax base.

Taxes – Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments.

TOT – (see Transient Occupancy Tax).

Transfers – Amounts moved from one fund to another to assist in financing the services for the recipient fund.

Transient Occupancy Tax (TOT) – A tax imposed on individuals with hotel/ motel stays less than thirty days. The rate in the City of Huntington Beach is ten percent.

Unencumbered Balance – The portion of an appropriation that is neither expended nor encumbered. The amount of budget still available for future purposes.

Unfunded Liabilities – The unfunded liability, the present value of the expected future benefits vested to date, is the amount by which the plan's liabilities exceed the assets on a given date.

U. S. Department of Housing and Urban Development – (see HUD).

User Fees and Charges – A cost paid for a public service or the use of a public facility by the entity benefiting from the service.

Utility Users Tax (UUT) – A tax imposed on users for various utilities in the City including water, telephone, gas, electric, and cable TV services.

UUT – (see Utility Users Tax).

Vehicle License Fee (VLF) – Is a tax on the ownership of a registered vehicle in place of taxing vehicles as personal property, also called the motor vehicle in-lieu tax. The VLF is paid annually upon vehicle registration in addition to other fees, such as the vehicle registration fee, air quality fees, and commercial vehicle weight fees all of which fund specific state programs. The VLF funds city and county services.

VLF – (see Vehicle License Fee).

City of Huntington Beach Financial Policies

FINANCIAL REPORTING AND ACCOUNTING STANDARDS

- ❑ The City's accounting system will be maintained in accordance with generally accepted accounting practices and the standards of the Government Accounting Standards Board and the Government Finance Officers Association.
- ❑ The annual financial report will be prepared within six months of the close of the previous fiscal year. The City will use generally accepted accounting principles in preparing the annual financial statements and will attempt to qualify for the Government Finance Officers Association's Excellence in Financial Reporting Program.
- ❑ The City will strive for an unqualified audit opinion. An unqualified opinion is rendered without reservation by the independent auditor that financial statements are fairly presented.
- ❑ The City will contract for an annual audit by a qualified independent certified public accounting firm. The independent audit firm will be selected through a competitive process at least once every five years. The contract period will be for an initial period of three years, with two one-year options.

BUDGETING

- ❑ The budget will be prepared consistent with the standards developed by the Government Finance Officers Association and California Society of Municipal Finance Officers. In addition, a summary version will be provided to the public in a user-friendly format.
- ❑ The City will maintain a balanced operating budget for all funds with estimated revenues being equal to, or greater than, estimated expenditures, and with periodic City Council reviews and necessary adjustments to maintain balance.
- ❑ On-going revenues will support on-going expenditures. Revenues from one-time or limited duration sources will not be used to balance the annual operating budget.
- ❑ Support function appropriations will be placed in the department in which they are managed.

GENERAL FUND BALANCE

- ❑ The General Fund reserve (designation) will be a minimum of seven percent of the General Fund budget. In addition, a second tier reserve will consist of the net accumulation of amounts that were in excess of the seven percent reserve (designation) and remained in the General Fund after application of the financial policy that immediately follows. This second tier reserve will be used to balance budget fluctuations.
- ❑ Allocation of the audited General Fund balance in excess of the above reserves (designations) may be as follows:
 - 25 percent for capital projects (transferred to the Capital Improvement Reserve)
 - 25 percent for Infrastructure (transferred to the Infrastructure Fund)
 - 50 percent to increase the 2nd tier reserve
- ❑ All supplemental appropriations from the General Fund minimum reserve that cannot otherwise be funded during the current fiscal year operating budget must meet one of the three following criteria:
 - It is an unanticipated emergency.
 - It is required to implement a Memoranda of Understanding (MOU) or a mandate.
 - It is a new expense that is offset by related revenues.

City of Huntington Beach Financial Policies

- ❑ Any unanticipated and unrestricted revenues received during the fiscal year will be added to the General Fund fund balance.

APPROPRIATION AUTHORITY

- ❑ The City Council is the appropriation authority for the City Budget. As required by state law, appropriations expire at the end of each fiscal year.

NON-DEPARTMENTAL BUDGET

- ❑ The City shall maintain a non-departmental budget that is used for expenditures that do not apply to a specific department, are Citywide in nature, or shared by several departments. The Director of Finance and City Administrator shall be responsible for administration of this budget.

OPERATION OF THE CAPITAL IMPROVEMENT RESERVE (CIR)

- ❑ The Capital Improvement Reserve will only be used to budget for, and construct, capital improvement projects identified in the City's five year Capital Improvement Plan.
- ❑ Savings from completed capital improvement projects will be retained for use on other infrastructure projects.
- ❑ Interest earned on idle funds in the Capital Improvement Reserve will be retained for use on other infrastructure projects.

ENTERPRISE FUNDS

- ❑ An Enterprise Fund is a type of proprietary fund used to report an activity for which a fee is charged to external users for goods or services. The City will set users fees for each enterprise fund at a rate that fully recovers the direct and indirect costs of providing service.
- ❑ The City will adjust user fees as necessary to ensure that enterprise funds do not collect revenues at a rate in excess of the fund's operating, capital, and reserve requirements.
- ❑ Enterprise funds will be supported by their own rates and not subsidized by the General Fund.
- ❑ Enterprise funds will pay their share of overhead services provided by the General Fund.

SPECIAL REVENUE FUNDS

- ❑ A Special Revenue Fund is used to account for the proceeds of specific revenue sources that are restricted to expenditure for specified purposes.
- ❑ The City Council will establish which revenues require placement into a special revenue fund.
- ❑ The City Council will establish which expenditures will be expensed to each special revenue fund.

DEBT ISSUANCE & MANAGEMENT

- ❑ The City will not use long-term debt to pay for current operations.
- ❑ The City will strive to construct capital and infrastructure improvements without incurring debt. Debt financing will be considered for capital and infrastructure improvements when one or more of the following circumstances exist.

City of Huntington Beach Financial Policies

- When the term of the debt does not extend beyond the useful life of the improvements;
- When project revenues or specific resources will be sufficient to service the long-term debt; and,
- When the cost of debt is less than the impact of the cost caused by delaying the project.

CHARGES & USER FEES

- “User Fees” are fees for services that are exclusively provided by the City and cannot legally exceed the cost of the service provided nor the statutory limit (if lower). User Fees will be reviewed and/or revised periodically by the City Council. User Fees that do not recover all direct and indirect costs of service will be clearly identified and must be approved by the City Council.
- “Charges” are fees that have no statutory limit and typically are set at “market rates” since the public can choose to obtain these services from other sources. Charges will be reviewed and/or revised periodically by the City Council. Charges that do not recover all direct and indirect costs of service will be clearly identified and must be approved by the City Council.
- The City Council will be presented annually with a list of all User Fees and Charges indicating when they were last changed.
- Fees for infrastructure improvements required by new development will be reviewed annually to ensure that the fees recover development related expenditures.

CAPITAL MANAGEMENT

- The City will prepare a five-year Capital Improvement Plan. The plan will be developed biannually and updated annually. The Capital Improvement Plan will include current operating maintenance expenditures, funding to support repair and rehabilitation of deteriorating infrastructure, and the construction of new infrastructure projects.
- Prior to planning the construction of new infrastructure, the improvement’s future operating, maintenance, and replacement costs will be forecast and matched to available revenue sources in the operating budget.

BASIS OF BUDGETING

- Governmental, agency and expendable trust fund types and pension trust funds use a modified accrual basis of accounting. These funds recognize revenue when it is susceptible to accrual. It must be measurable and available to finance current period expenditures. Examples include property taxes, sales tax, governmental grants and subventions, interest and charges for current service. Revenues not susceptible to accrual include certain licenses, permits, fines and forfeitures and miscellaneous revenue. The City of Huntington Beach recognizes expenditures when it incurs a measurable liability, with the exception of interest on long-term debt, which is recognized when it is due.
- The city accounts for proprietary fund types and pension trust funds on the accrual basis, similar to private businesses, recognizing revenue when earned, regardless of the date of receipt, and recognizing expenses when they are incurred. The city selected under GASB Statement 20, to apply all GASB pronouncements as well as an official statement of opinions of the Financial Accounting Board.

City of Huntington Beach Financial Policies

- ❑ The budget includes estimates for revenue that, along with the appropriations, comprise the budgetary fund balance. The appropriated budget covers substantially all fund type expenditures. The City Council adopts governmental fund budgets consistent with generally accepted accounting principles as legally required. There are no significant unbudgeted financial activities. Revenues for special revenue funds are budgeted by entitlements, grants and estimates of future development and growth. Expenditures and transfers are budgeted based upon available financial resources. The city uses an encumbrance system as an aid in controlling expenditures. When the city issues a purchase order for goods or services, it records an encumbrance until the vendor delivers the goods or performs the service. At year-end, the city reports all outstanding encumbrances as reservations of fund balance in governmental fund types. The city then re-appropriates these encumbrances into the new fiscal year.

FUND BALANCE DEFINITIONS AND PROJECTIONS

- ❑ The City is reporting estimated changes in fund balances for all funds with adopted budgets for the year 2008/09. The City has chosen to report certain major funds individually and the others combined within the annual audit. Major funds used in the City's Comprehensive Annual Financial Report (CAFR), plus selected other funds are described. Within the budget document, all funds operated by the city are individually presented.
- ❑ For governmental funds, the fund balances represent the estimated effect of the adopted budget on the unreserved, undesignated fund balance that will be reported in the 2007-2008 CAFR. This amount represents the amount available for appropriation by the City Council.
- ❑ For fiduciary and enterprise funds, the fund balances reported represents the net working capital (current assets minus current liabilities) shown in these funds. This amount closely parallels the unrestricted net assets shown on the CAFR.
- ❑ The estimated capitalized proprietary fund expenditures represent the estimated amount of expenditures that will be used for fixed assets. In enterprise funds, fixed assets are not recorded as expenditure in the year incurred, but are depreciated over their useful lives.

City of Huntington Beach Authorized Full-Time Equivalent Personnel

Department	FY 2006/07 Actual	FY 2007/08 Revised	FY 2008/09 Adopted	Change from Prior Year

Expenditures can exceed revenues in a given year for several reasons. These include the use of accumulated fund balance for planned capital improvements, which are not completed in the previous year and re-budgeted in the new year, and bonded debt also, used for major capital projects. This has been the case in recent years and, while new bonded debt is not included in FY 2008/09, fund balances will be used to complete projects currently underway, and new projects budgeted in FY 2008/09.

City of Huntington Beach

Estimated Changes to Major Fund Balances

Explanation of fluctuations greater than 10% negative of beginning fund balance in Major Funds:

Air Quality, Traffic Impact, Gas Tax, Measure M, Highway Safety and Traffic Reduction, Merged Capital Projects, In Lieu Parking Downtown and Infrastructure: These include capital project funds which are utilizing accumulated fund balance for projects in the five Year Capital Improvement Program (CIP). **CUPA and Water:** These are operating funds which are either enterprise or restricted revenue and are utilizing accumulated fund balance for related improvements and/or equipment purchases.

(1) In October of 2008, Council directed that the Traffic Impact Fund deficit will be eliminated through reduced spending of appropriations due to projects that are not expected to start in FY 2008/09.

(2) Negative fund balance in the Drainage Fund (Fund 211) is recognized in previous audits and will be corrected over time.

(3) The projected negative fund balance in the Library Development (Fund 302) will be monitored in FY 2008/09. Options that will be considered during the year to deal with the projected negative fund balance include shifting expenditures to the General Fund, reducing expenditures, and closing the Library Development Fund.

(4) In October of 2008, Council approved a transfer of \$350,000 from the Southeast Coastal Debt Service Fund to the Southeast Coastal Capital Projects Fund in order to eliminate the negative fund balance.
